

CITY OF DUPONT

Recreation Guide

MAY - AUGUST 2018

Kate Lynch

Our Mission:

“To build a healthy community through people, programs and partnerships while creating lasting memories for generations to come.”

INTRODUCTION

As the days get longer and the seasons change, I find myself fortunate to be surrounded by the forever changing seasons of the Pacific Northwest. We welcome each season with beautiful colors, ambitious goals and community traditions.

The City of DuPont has an abundance of activities and the seasons of spring and summer show them off like no other! As we welcome warmer temperatures and endless summer nights, it's time to get outdoors to enjoy all this great city has to offer. Within the pages of this recreation guide, you will find a little something for everyone.

We are excited to announce our Concert in the Park series that will occur throughout the summer at our signature Clocktower Park. Our youth and teen participation in programming is growing at exciting rates. Families are outside and actively enjoying our trails, parks and open spaces. Summer trips are planned for the young and the young at heart.

I invite you and family to join your friends and neighbors to explore all that your community has to offer. We think you will like what you find. Enjoy the season and think outside. No box required!

All my best,

Amy Walker
